Sutharsan G

MERN Developer | Full Stack Web Development | Building Scalable and User-Friendly Applications

Chennai, Tamil Nadu, India

Summary

"Hi there! I'm Sutharsan, a college student and aspiring MERN developer from Chennai. I'm passionate about web development and currently pursuing my Bachelor's degree in Computer Science. Proficient in HTML, CSS, and JavaScript, I'm expanding my skills with React.js, Node.js, Express.js and MongoDB. I enjoy taking on new challenges and applying my knowledge to practical projects. Let's connect and collaborate on exciting web development opportunities!

Education

Vel's Institute of Science, Technoloyg and Advanced Studies, Chennai

Bachelor of Engineering - BE, Computer Science · (August 2020 - June 2024)
